Our professional staff is comprised of physicians Board Certified in Family Medicine with additional training in Emergency Medicine. Each of our three offices is equipped with x-ray, laboratory, and dedicated specimen collection facilities for drug testing. Our extended hours include evenings, weekends, and holidays allowing for easy accessibility for your employees. We utilize an Electronic Health Records system which allows clinicians to securely share patient information from any of our three locations.

Attached please find an **Employer Profile Form** and an **Authorization for Treatment Form**. A completed Profile is required prior to sending any employee for treatment. Once your account is established, an Authorization for Treatment Form must be completed for an employee requiring service. The employee can bring the form in or it can be faxed to the treating office.

Please contact me at (908) 782-7700 X-3 if you require additional information.

Sincerely,

Ronni Lederman
Practice Administrator
